Subject: PPH Water analysis

Dr. Vikas:

I appreciate you reaching out to me and offering assistance on our efforts regarding PPH analysis. We have a large group that have been involved in ongoing discussions. I have indicated the lead contact, from my perspective, for each group below. If they see it differently, I would ask they reply to all. At this time it would also be appreciated if the group can share full contact details by email. To be fair to all, I do not have all the professional designations for everyone, so I have left them off the list below.

American Water -- [Ex. 6 - Personal Privacy]  
West Virginia American Water -- [Ex. 6 - Personal Privacy] MATRIC -- [Ex. 6 - Personal Privacy]  
National Guard -- Greg Grant DuPont -- [Ex. 6 - Personal Privacy] REIC Labs -- [Ex. 6 - Personal Privacy]  
[Ex. 6 - Personal Privacy] WV Department of Health & Human Resources -- Letitia Tierney WV  
Bureau for Public Health -- Walter Ivey WV Public Health Lab -- Martha  
McElfresh

I can set up a conference call if you feel it the easiest way to connect quickly. All I would need is who else you would like to invite.

Regards,

Subject: Water analysis

Dear Mr. [Ex. 6 - Personal Privacy]

It was a pleasure speaking to you this afternoon. As we discussed, even though we do not do water analysis here at CDC/ATSDR, I would be happy to try to connect your lab folks to the appropriate people at EPA. If you would send me the name (or names) of the best contacts and their contact information, we will share that information with EPA.

Thanks,

Vik
